# PowerFlo™

## WATER JUG FILTRATION SYSTEM

**PowerFlo™**  
FILTER

### *Purify Water at Home*

Fill your existing 5 or 3 gal. containers at home and drink purified water on demand.

### *Save Money & Time*

Purify municipal water at home without the need to purchase water from water vending dispensers. No lugging 40 lb. containers back home.

### *Ease to Use*

Simply attach the PoweFlo rechargeable pump to the water jug, press the power button and dispense safe, purified water. Up to 0.5 gal. per minute.

### *Capacity*

Purifies up to 250 gal./946 ltrs.
