EVACUATION PLAN

It is important to determine several evacuation routes for each family member. For pets or family members who need special assistance indicate who will be responsible and what is the plan.

1. _____ is responsible for _____

What's The Plan? _____

2. _____ is responsible for _____

What's The Plan? _____

3. _____ is responsible for _____

What's The Plan? _____

4. _____ is responsible for _____

What's The Plan? _____

EVACUATION GRID

Use the grid to draw a floor plan of your home showing the location of exit doors and windows, utility shutoffs, first aid kit, and emergency supplies. Ensure **EVERYONE** in your household is familiar with it.

Show it to babysitters and house guests when you're going away.

A large empty grid consisting of 20 columns and 20 rows of squares, intended for drawing a floor plan.
